### **Comment**

Welcome back, dear readers! What an amazing and beautiful (if cold) couple of months this has been and what a contrast with this time last year.

#### **Derek Williamson**

We regret having to report the death on 9 December of Derek Williamson, following a lengthy illness; his funeral has already taken place.

Our condolences and sympathy are extended to Mary and their family.

#### **Mike Fielding**

It is with regret that we report the death in late November of Mike Fielding, who left the Club earlier in 2016 due to ill health; his funeral has already taken place.

Our condolences and sympathy are extended to Mike's family.

### **News and Updates from the Club Management**

#### Course Matters

There have been a number of projects on the go in January, with the greens staff switching from one job to another based around whether the ground was frozen:

This month the trees to the right and left of the 3<sup>rd</sup>, left of the 6<sup>th</sup> and left of the 5<sup>th</sup> have been thinned and maintained. There have also been two large willows on the 12<sup>th</sup> that came down in heavy winds and these have been chopped up into manageable pieces. Some tree stumps have also been removed.

The 17<sup>th</sup> tee has been levelled, has its root zone and top dressing and is ready for turf. Turf will also be added to the drainage around the 6<sup>th</sup> green and the drainage areas dug out on the 10<sup>th</sup> and 17<sup>th</sup>. We need the

ground to thaw next so that the turf nurseries can supply a good depth of sod. Following this we turn attention to the 2<sup>nd</sup> tee.

There are now sleeper edges to the 15<sup>th</sup> tee. In the spring we will apply granite dust to this tee and the new path to the 5<sup>th</sup> tee. The new ladies' tee signs are now out on the course.

A couple of parish notices on good practice to assist the greenkeepers:

Please don't try to get the ball out of the hole by using your putter as this damages the hole/cup. Worse, if the ground is frozen the green keepers cannot cut a fresh hole (up to 8 inches of thawed ground required for this) and the damage can affect following golfers for some time.

Please replace your divots immediately – once the ground freezes the divot will not root again in the divot hole. Thank you.

### Clubhouse

The new lockers are now installed and look good. There were some teething problems with the locks, but that has been sorted out. Overall the locker room looks much smarter, so thanks go to Andy and Steve for making it all happen. Those who have paid for a new locker can pick up their key from the downstairs bar. There are only three small lockers left for hire, so send Steve Montague an email at [sdmontague@btinternet.com](mailto:sdmontague@btinternet.com) if you would like one of these.

The Men's locker room was cleared of all abandoned clothing and shoes at the beginning of January so that we could paint and get ready for the new lockers. These items are in black bin bags in the upstairs storage area in the shop. Please recover any items by 15 February 17, as remaining items will be discarded after this date.

### Forthcoming Dates

Wednesday 8 February – Seniors' AGM, 3pm.  
Sunday 12 February – Men's Medal.  
Friday 17 February – Russell's Junior Open Day.  
Tuesday 21 February – Ladies AGM 7:00 for 7:30pm.  
Sunday 26 February – Sunday Roasts, book in bar.  
Sunday 4 March – shotgun medal + Men's AGM 1:30pm.  
Saturday 11 March – Prize Presentation Evening.

### **Rules of Golf**

#### Playing from Wrong Teeing Ground (Rules 11-4, 11-5)

- a. Match Play. If a player, when starting a hole, plays a ball from outside the teeing ground, or the wrong teeing ground, there is no penalty but the opponent may immediately require the player to cancel the stroke and play a ball from within the teeing ground.
  
- b. Stroke Play. If a competitor, when starting a hole, plays a ball from outside the teeing ground, or the wrong teeing ground, he incurs a penalty of two strokes and must then play the ball from within the teeing ground.

### **Tip of the Month from your Club Professional, Terry Bunyan**

Keep warm – seriously. This really is the time of year to get your game sorted and of course Russell and I are happy to assist. Also start thinking about what you want to achieve this coming season and how you can do it.

Spend time not only in the range, for you can do a lot at home. I practice a lot of 'shadow swings' indoors, working on the correct moves. You can also practice your putting on the carpet. And to finish, let me give you something to think about: there is no 'one way' to swing the golf club. I've always taught the person - not a method – because we are all different shapes and sizes and have limitations.

The quickest way to lower your scores? Drive it well off the tee and have a great short game!

### **Lesson Offers from Terry Bunyan**

4 x 1 hour range lessons (inc video)

Plus 9-hole playing lesson

(Normally £228)

Offer price until end of February: £160

9-hole playing lesson until end of February: £45

Call Terry Bunyan on: 07588 272322

### **Give your Swing an MOT and Get it Ready for the New Season!**

Looking to get the edge this year and lower your handicap? I am here to help! I'm putting together a 3 x 1 hour pack of lessons to work with your current swing and look for simply improvements that can get you hitting the ball better. I will be working with you once a month so, when the warmer weather gets here, you are feeling better about your game.

3 x 1 hour normally £120 for members and £150 for non-members.

For February only get this pack for  
**£90 members and £120 non-members**

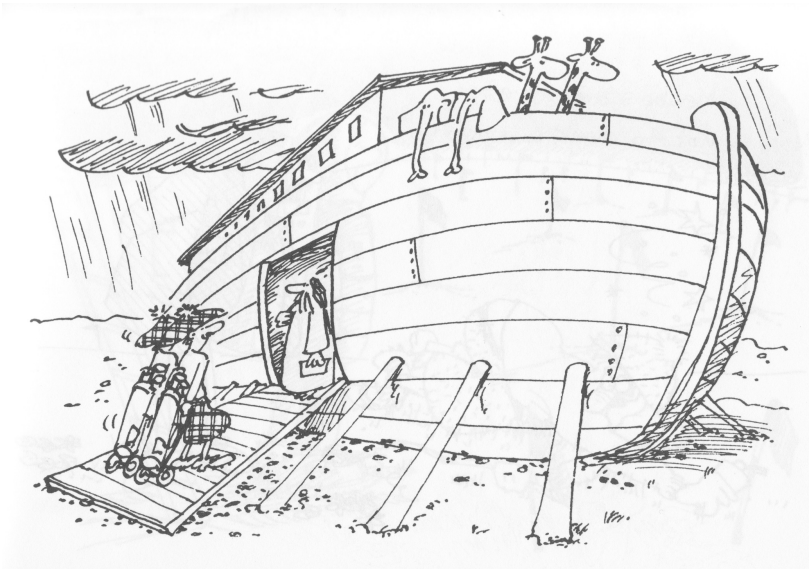

Contact Russell Phillips: 078436 92948 or email [r.phillips@avgc.co.uk](mailto:r.phillips@avgc.co.uk)

### **The Senior Masters' Tour is Coming to AVGC**

There will be a Pro Am at AVGC on Sunday 2 July, followed by the tournament on Monday and Tuesday 3/4 July; full details will be put up around the Club from next month and on Facebook etc.

However please contact Terry Bunyan if you wish to enter a team of three players. The cost is an amazing £45 per person - almost half the price you would pay to play in a Pro Am in the summer months, as most cost around £100. We will be asking for payment up front to secure your team place. Spaces will be limited.

We are looking for businesses and individuals to sponsor a hole during the three day tournament and Pro Am. Contact Terry Bunyan for more information: 07588 272322.

### **Getting a Handicap/Getting to Know People**

There are always new and not-so-new members (some older ones and some not-so-old), who play the course by themselves, but really would like to meet and play with other members,

Perhaps you need to get three cards marked for handicap reasons, or perhaps just to get to know other members. We realise that time constraints and availability can make this a problem, but we can help.

The simplest way to get to meet members is probably just to turn up on a Monday or Wednesday morning. The Seniors' Section (age 55+) has very informal fun competitions, interspersed with formal competitive ones, on Mondays and Wednesdays, starting at 8:30am, that are run as roll-ups so there is no need to book ahead – just turn up. You don't have to be a Senior to join in – all are welcome and anyone you play with will be happy to mark a handicap card for you. The Ladies' Section has a similar pattern for all ladies, but their start time is normally 10:00am on Mondays and Wednesdays. Many Seniors and Ladies also play together, informally, on a Friday, starting at about 8:30am – again, just turn up and play with them.

Another easy option is to use the Pro Shop. If you turn up and tell whoever is on duty that you would like to play a round with someone, they will do their best to introduce you to whoever is due to be going out (any Club member with an existing handicap can mark a handicap card for you).

Weekends can be busier and competitions are often a little more formal. We suggest that if you are only available at a weekend you should discuss a suitable day and time with the shop staff.

If you are having lessons with either Terry Bunyan or Russell Phillips, either of them will steer you towards a member who might be able to play with you until you get established.

Finally, you can yourself arrange to meet up and play with a member. In the lobby between the shop and the changing rooms is a folder called 'Availability Book', in which members volunteer their contact details and probable availability to play with someone new.

Our Club is known for its friendliness, but beware – friendly 'banter' on and off the course is part of this, especially between the male golfers!

### **Play with a Stranger? The Availability Book**

Members willing to play a round or two with a new member, or a new member still needing a handicap or a friendly round of golf, are asked to put their general availability and contact details in the Availability Book in the lobby between the shop and the changing rooms. If you are looking for someone to play with, do use the book.

## Club Christmas Draw

Congratulations to all 23 winners in the Club's Christmas Draw, which raised £300, of which £100 has been donated to Willen Hospice. The first three winners were: Mike Bender, Brian Hogarth and Vince Bennett. Coincidentally, Mike Bender's name also came out as the 23<sup>rd</sup> and last prizewinner.

## Heinz's Sponsored Slim

Please look at the notice on the board in the bar area, for details of the sponsored slim that our much-appreciated chef, Heinz, started on 8 January (his starting weight was 18st 7lb). Heinz's food is clearly just *too* good!

All proceeds will go to Willen Hospice.

## Men

### A Word from the Captain

Happy New Year to one and all. I hope you all had a very jolly festive period.

It's certainly a much better start to 2017 than it was at the start of 2016; may that long continue. It's very pleasing to see how well the course is holding up over the winter months and great credit has to go to Luke and his greens staff. Thank you for all your hard work.

The Men's locker room project is now coming to a close, with a few loose ends to tie up over the next week or so. Instigated by Past Captain Andrew Ashcroft in partnership with Stephen Montague, backed by the Men's Committee, the new lockers were fitted in the second week of January. The new lockers are a tremendous addition to the Men's changing room. I know an awful lot of work went into this project and I'd like to wholeheartedly thank Andrew and Stephen for their efforts. Well done guys.

Having been invited to play in The Chiltern Breakfast League Winter Knockout three years ago, we remained winless, but no more. Our first round match against Chartridge Park had to be rearranged for 4 December, which we duly won 3½:2½, with Adrian Fallon and Will Shackleton, Steve Chandler and Graham Freshwater winning at home, with John Barker and Mick Caro earning a half. Andrew Bond and Shane Lea got the all-important win away from home.

The format of the CBL Winter knockout is that three pairs play at home and three pairs play away, playing four ball better ball match play all at the same time.

For Round 2 we were drawn against Aldwickbury Park, which was played on Sunday 22 January. After quite a nervous late afternoon, with calls/texts being transmitted between Captain Fallon and Vice-Captain Bond, Aylesbury Vale beat Aldwickbury Park on count back, after finishing 3:3. Again Adrian Fallon/Will Shackleton and Steve Chandler/Graham Freshwater had comfortable wins at home. Even though we didn't win any matches away from home on the day, Andrew Bond/Shane Lea and Darren Horne/Jonny Frankland all halved their matches, a fantastic effort at a tricky course. This was a tremendous effort against a very strong Aldwickbury team. Well done to everyone that took part, it was a great team effort and I'm proud of you all. We now meet Richings Park in the semi final on Saturday 18 February.

The end of my Captaincy is fast approaching and one of my last major events is Presentation Night, which is on Saturday 11 March. Held in conjunction with the Ladies Section, it's a fun night to collect all your spoils from the last golfing season, eat good food, have a drink or two and reminisce with other members about what you won - or could have won last year. A signup sheet is in the downstairs bar for you to put your name on. The price is £22 for a 3-course meal and menu sheets need to be completed with your payment.

The Men's Committee for the 2017 season will be formed after the AGM on Saturday 11 March. A nomination form for Committee posts is located in the lobby to the locker room. Sometimes being a

Committee member can be a thankless task, but also it can be very rewarding. All Committee members are volunteers; we give up an awful lot of our spare time to run competitions and matches. If anyone feels they can be an asset to our great Club, the list will be up in the lobby for the next few weeks.

This year's chosen charity is Willen Hospice in Milton Keynes. Willen Hospice is a registered charity that provides specialist care for people whose illness no longer responds to curative treatment (also known as specialist palliative care). <http://www.willen-hospice.org.uk> Every year our members contribute a tremendous amount to our chosen charity and I would like to think you will again support this great cause. I thank you in advance for any contributions you make.

All the best!

*Adrian Fallon*

The new year began with 70 players taking part in the January Medal. In Division 1, Handicap Secretary Neil Garrett found some welcome form to take the honours, with a nett 67. Steve Chandler (nett 68) was second with Nigel Welling in third place with a nett 70. Lee Sarmple was the winner in Division 2 with a nett 69, with Keith McGoverne and Graham Findlay taking the minor places with nett 70s. Tom Read managed to take two shots off his handicap in winning Division 3 with a nett 67. Keith Loxton (nett 74) and Jon Read (nett 75) took the next two places.

Larry Goddard was the winner of the Midweek Stableford, with his 37 points leaving him a point clear of Clayton Barlow and Paul Morgan, who took the next two places.

## Seniors

### A Word from the Seniors' Captain

Christmas and New Year have come and gone and I hope you all had a jolly good time. It's been interesting experiencing these hard frosty conditions of late, with the bounce on the ball being 10 times higher than normal. In these conditions, I think the most difficult hole is the 13<sup>th</sup>. How does one get over the water and expect the ball to stay on the green??

2017/2018 Seniors' Calendar. The Seniors' Calendar for 2017/18 is almost totally agreed. It fits well with the Club Calendar and the Ladies' Calendar, so it will be available soon.

Seniors' Questionnaire. Thanks to those who completed the Seniors' Questionnaire. We gave about 70 people a copy to fill in, either by email or as a hard copy. Of those, 45 people responded and the results of our initial findings, together with some changes that we would like to make, have been sent to all on the Seniors email list. As a Committee we will do more work, using the results, to try to ensure that we are doing the things that you want.

Seniors' Email List. We have a Seniors' email list for Committee use. Those Seniors who are on it get information from Committee members about what is going on, or seeking views, or telling members that 'we have put up a list' or 'the pairings of people playing in the match against ..... is on the board' etc. etc.

If you would also like to be on the email distribution for Seniors' Committee messages (or those from Club management), then please put your name and email address on the sheet on the Seniors' Noticeboard, or let a Committee member have your details.

Match Results. Only one Winter League match was played during January - an away match against Oakland Park. We had a difficult time, losing ½:5½. Congratulations to Tom Hobbs and Tony Deall for their half. So, as this goes to press, we have played five, won two and lost three in the Winter League.

Seniors' Constitution. A sub-Committee of your Seniors' Committee was tasked with looking at our Seniors' Constitution. The result is that it was considered to be good, but that amendments agreed in past years still had to be incorporated into a single document. This has been done and a copy will be available in the next couple of weeks.

Seniors Presentation Evening. The Seniors' Presentation Evening took place on Saturday 10 December. It was a good night, with lovely food, great company and a bit of dancing. Oh...and we did present a few trophies.

*Bob Phillips*

**Don't forget to come to the Seniors' AGM on 8 February at 3pm, upstairs in the Clubhouse (after the AGM Cup has been played), both to give your opinion and to elect the Seniors' Committee for the coming 12 months.**

### **Seniors' Noticeboards**

Members will have noticed that, with the refitting of the changing room, the previous space for the Seniors' noticeboard is no longer available.

With the agreement of the Club management, the new main noticeboard for Seniors is now the one to the left of the entrance into the changing room lobby from the shop. This will be used for all competition and match sign-up sheets, and routine information. The Seniors' wall-mounted box for envelopes will be positioned opposite this board.

A smaller noticeboard, yet to be produced, will go where the previous board was located and will be for notices of a more permanent nature, such as the calendar for the year, Committee details etc.

# Ladies

## A Word from the Lady Captain

Hello all,

Not so much happens in January, so it's a short report from the Ladies' Section this month.

I know they normally say what a difference a day makes, but what a difference a year makes! We have been really lucky this year compared to last, and as far as I know the course has only been shut for one day. Let's hope this continues; it might be cold, but apparently there is no such thing as cold, only the wrong clothing !

Both ladies' Medals went ahead in January, the winners being: Sue Bellingham (7-day) and Jean Edwards (5-day). The weekly midweek free-format Stableford winner was Anne Bridges. Well done to all winners.

Just a quick reminder - the Ladies' AGM is on Tuesday 21 February, 7pm for a 7:30pm start. If you cannot make it, please inform me or one of the Committee.
