News and Updates from the Club Management

Course

We are satisfied with the condition of the course after this winter but still have a number of backed up projects that we are looking to do. For example, we want to do the divot bag project, clean up the yardage markers, put a new brick topping on the 1st tee and granite dust the paths, but nature is currently insisting that we cut, cut, cut and don't get distracted from that task.

Practice Grass Tee. This is now back in play. We will be looking to extend this tee so that it does not get so cut up.

GDPR (General Data Protection Regulation)

Now that 25 May has passed, we have collected in the lists of telephone numbers. We can only give out your telephone number if you have signed the blue folder by the door in the downstairs bar. This could potentially mean that you could be excluded from a knock-out match as your opponent has no way of contacting you to get your match arranged by the next 'play by' date. The list is still there for you to sign if you have not yet done so. A new, smaller, telephone list will be created of just those members who have signed the folder.

Insurance

Please all members take note that the Club's new insurance policy begins on 1 June 18 and there is a subtle difference. Under the old insurance policy a member had limited liability cover for striking another member with a golf ball. This company then gave those members the option of expanding their cover for a reduced fee to cover things like theft of clubs, holiday cover and hole-in-one cover. You will know if this applied to you as you had to personally take out the expanded insurance yourself. Please note that this insurance comes to an end on 31 May.

The Club is taking out a new insurance with Erskine Murray, through Aviva, from 1 June and this will include that same basic limited liability cover for one member striking another member with a golf ball. We are asking the insurers to put in writing exactly what they cover and we will post this on the noticeboard in the downstairs bar. The cover only applies to fully paid-up members. This company does not offer the extra cover, however, as an individual, you can still pick up leaflets at the Club for Golfplan and Golf Care and take out your own insurance. The extras are for: golf equipment, public liability, personal accident, new-for-old, UK cover, golf equipment hire, dental treatment, accidental damage, hospitalisation, Club subscription, hole-in-one, personal possessions, loss of golfing trophies, overseas cover and tournament entry fees.

Pricewise, Golf Care has cover for £24.49, £27.99, £38.49 and £48.99 per year depending upon the level of cover. Golfplan do not specify their prices but you call for a quote. Please ask Chris, Leo, Jason or Garry for a leaflet.

Rules of Golf

Improving Lie (Rule 13). **Question:** A player's ball comes to rest in front of a divot which is folded over, but not completely detached. The divot interferes with his backswing. May the player replace or remove the divot before playing? **Answer:** No. A divot which is not completely detached is not a loose impediment. It is something fixed and therefore its removal or replacement would be a breach of Rule 13-2 as the lie and area of intended swing would be improved. **Penalty** for replacing or removing the attached divot: 2 strokes.

Ooops! A friend of Terry Neve (from another Club) sent him this photo, saying 'In today's competition I needed to get a Committee decision regarding the possibility of relief in the bunker next to the 13th green. Is it Rule 23 or Rule 24 that applies? There is also the local instruction that we must give priority to the greenkeepers. Enjoy your golf, but check the rules.'

Advertising Opportunity!

If you have a business to advertise (or know someone who does), there is an excellent opportunity to have an advert seen by hundreds of potential customers a week in the AVGC Clubhouse.

The advert would be displayed amongst others on a colour TV in the Clubhouse main bar, alongside live results of Club competitions on live TV.

There is a one-off cost of only £100 for a permanent rolling display.

Tip of the Month from your Head PGA Professional, Russell Phillips

Golf is one of the most difficult games you can play and often it is hard to stay positive when your game is not going well. You can't worry about playing a bad shot - you see some of the best players in the world fire the ball into the crowd. They are not embarrassed, it happens to us all! The biggest difference is that their next shot will be great again.

They always believe that the next shot they play will be their best shot of the day. Although it may not be their best shot of the day, adopting this mind set to their game dramatically improves their state of mind. Give it a go and see what happens!

New – Swing Speed Programme

Get that swing speed up with Russell Phillips' new programme using his swing stick and launch monitor. At the start he will monitor your clubhead speed and ball speed and during the session he will be looking to increase both with this easy method. If you don't improve you'll get your money back!

However, they will always secure the holiday at the best price available on the day.

Hole-in-One

Congratulations for a hole-in-one are due yet again – this time to Peter Howarth, who achieved his ambition during casual play on 22 May by aceing the 8th.

GOTCHA!

Our Men's Captain has introduced a refinement of the Gotcha! system. On the bar by the charity box there is now a notebook labelled GOTCHA DONATION RECORD, referring to the Captain's 9th back bunker, the 13th pond (most have visited there) and the 18th front left greenside bunker. If you have visited any of these hazards during your round, please be so kind as to remember to put your 50p in the Captains' charity box.

Once you have contributed your 50p, simply add your name, the hole of the deed and date. Then, after four months, a prize draw will be made for one winning individual. Just to confirm, every individual GOTCHA costs 50p but does mean you will have multiple entries for the prize draw.

Funds for Junior Section - Derek Hall Memorial Trophy

The splendid sum of £180 was raised for the Junior Section by those taking part in the annual Derek Hall Memorial Trophy competition on May Bank Holiday. This competition raises funds for the Juniors each year.

Men

A Word from the Men's Captain...

The question I'm being asked most frequently is 'Am I enjoying being Captain?'. Well overall, the answer would be yes. Two days that passed this month that really contribute to that answer were Lady Captain's Day and Men's vs Seniors annual match.

On Lady Captain's Day it was great to see so many members enjoying the golf and raising so much for the Charity, thank you to all members for their generosity.

As for the Men, yes Men's team vs the Seniors, well our Seniors' Captain David may or may not mention our individual game, where Seniors enjoyed early success (shaking hands after the 13th hole). The match result ended with the Men retaining the Walking Stick for another year, cheers to all who took part.

As for other fixtures there was a Club match away loss to The Three Locks, CBL home wins against Hazelmere and Waterstock and our first CBL defeat away to Chartridge Park and Mid-Handicap away defeat at Pavenham. The new Annodata Knockout saw a reversal to home advantage with our home fixture ending in defeat to Hazelmere and our second team winning away at Dunstable.

Just want to mention that next month includes my Captain's Day on 23 June. Sign-up sheets are pinned on the bar notice board and it would be great to see as many members take part as possible - remember 5-day members do not require to pay a green fee.

As many of you are aware, we would like to organise a Summer Party on 21 July. Following those who confirmed an interest by adding their names to the list, it will now be go ahead, so please save the date in your diaries.

Lastly, I would like to wish Barry Crocker a speedy recovery and look forward to receiving the letter requesting shots back. Get well soon sir.

Wishing you all the best for keeping it on the short stuff.

John Barker

With the bad weather, it has taken until May before we could play a Midweek Medal and it was Jon Clements who won it with a nett 70. George Cowley and Johnny Frankland both with nett 71s took the minor places.

The May Medal saw Dean Palmer take the honours in Division 1 on countback from Matt Howarth, both players scoring nett 69s. Matt Lea was third (nett 73). Elton Carter was a clear winner in Division 2 with a nett 73, four shots ahead of John Burrows and André Lotter. Rowan Green won Division 3 with a nett 73, a shot clear of Tony Foster and Russell Dunn.

The previously cancelled Easter Cup finally got played, with Andrew Pearce edging out Ben McDonald and with both players scoring 41 points. Mark Westbrook was third on 40 points.

Brett Robinson won the Midweek Stableford with 37 points, one better than Will Bond in second place. Lee Bracey-Wright took third place and also had the only two!!

With a CBL match being played on the same day a smaller field contested the Foursomes trophy with Mark Adams and Paul Herridge winning the title. Justin and Ben McDonald took second place.

Seniors

A Word from the Seniors' Captain...

Finally, the cold and wet weather of early spring has become a distant memory and playing golf is so much more enjoyable. This is due in no small part to the excellent work done by Luke and his team in presenting the course to such a high standard.

Results: The usual mixed bag. In the Summer Friendlies we lost 2:4 at Weston Turville, won 5:1 at home to Aylesbury Park, followed by a 2½:3½ defeat at Beadlow Manor and a 3:3 draw at Chalgrave Manor. Have we become like Arsenal in the Premier League – i.e. cannot win away?

Competitions: Mark Leech took advantage of the improved course conditions in the May Medal to record the only nett sub-par round and Michael Cadman won the second Summer 6 with 38 points. Well done to both of them.

As mentioned on our webpage, the postponed April Medal will now take place on Monday 25 June, so plenty of opportunities to either excel or add 0.1 to your handicap.

The Second AwayDay will take place at the Bedfordshire Golf Club on Thursday 21 June. This is clearly a popular event as when I last looked the entry list was full.

Captains' Charity. I am sure you will have noticed the book on the bar to record your trips into the designated charity bunkers or the pond on the 13th. You can either donate 50p for each visit or pay a £10 donation into the box which gains you amnesty for the whole year. A quarterly draw will be held with a prize of a 4-ball to all those in the book for the relevant quarter or those that have paid the £10. 'Gotcha Cards' will not be issued.

There was also the small matter of the Men vs Seniors Match. After last year's drubbing the Seniors performed much better. Indeed, during the early matches some of the Men appeared toothless (sorry Andrew) in the face of a Senior onslaught and Captain Barker was clearly concerned (if not a tad embarrassed) after his own pair's performance. However, the Men's lower order strength prevailed and took them to a 6½:3½ victory. Irrespective of the result, it was a great fun day, with plenty of banter. Long may this annual fixture continue.

Some matters that the Committee wishes to bring to your attention:

Competition entry. Monthly Medals, Summer 6s, Winter 8s and the Midweek Club Championship are all drawn competitions and there is no free formatting facility. If you wish to play and miss getting your name into the draw, then contact Dave Lea. Dave can usually slot more players in even if you approach him on the day of the competition.

Slow Play and not 'Calling Through'. This is not a unique problem at this or any other Golf Club but was particularly evidenced at the recent Summer 6. The rules for calling through are well documented on pages 16 & 17 of our Club handbook and apply equally in both general and competition play. If you are uncertain as to what is expected of you then please refer to the handbook. Members of the Committee would not wish to have to spend time marshalling competitions or having to dish out penalties for slow play when they could be playing themselves. I would therefore appeal to all Seniors to 'self-regulate' in this respect rather than have the Committee consider taking further action.

A reminder as to tee times. When a formal competition is being played, the first tee time during the Summer is normally 07:30. If you wish to play earlier and are not in the competition then your group needs to clear the first tee by 07:15. If your group is a 4-ball, and bearing in mind that the competition will be played in 3-balls, then you may consider asking the shop if you can start from the 10th tee or be prepared to let the faster competition groups through.

Start times for Summer Friendly home matches will be advertised but are usually 09:00, so if you wish to play beforehand then you need to clear the tee 15 minutes before the first match tee time.

Captain's Competitions. I, or a member of the Committee, will look to get the draw started and the first groups down to the tee from 08:15. The Committee asks that you get your ball (hopefully with ownership easily identified thereon) into the draw by 08:45. If you are going to be slightly delayed then ensure a message gets through to the competition organiser so that he can include you in the draw. If you arrive without prior notice after 09:00 then you may not be able to be included in the competition as:

- a. This potentially messes up the groups and the format of the competition decided and
- b. Once we are all down on the first tee then we release any spare tee times back to the Club.

Your cooperation in making both formal and Captain's Competitions run more smoothly and to time will be much appreciated by your Committee and I am sure will enhance the enjoyment we all hope to get out of playing golf at AVGC.

Ladies

A Word from the Lady Captain...

Hello...thank goodness the weather has finally improved for the better and we are able to get out on the course with less clothing on, always good for one's swing!

The Mixed Invitation was held on a cold rainy Sunday at the end of April. The roast lunch and fruit crumble were very welcome and much enjoyed after such a miserable day on the course. Late entrants Sue Bellingham and Steve Page pipped John and I to the win, well done.

Then it was Lady Captain's Day. Thank goodness the weather played ball and the patio was in use until the rain came mid-afternoon. All but the last two groups out managed to get in without getting wet! With lots of help from so many people the day went off without a hitch. I thoroughly enjoyed myself and hope that you all did too.

The winners on the day were:

Runner Up Lady – Abi Pearce with 36 points (on countback)
Winning Lady – Natalie Rendle with 36 points

Runner Up Past Lady Captain – Jane Codrai with 32 points
Winning Past Lady Captain – Jean Barnett with 40 points

Runner Up Man – Dwayne Cowans
Winning Man – Mickey Parslow

Runner Up Team – Micky Pearce, Andy Pearce, Martin Shefferd and Abi Pearce with 101 points

Winning Team – Rowan Green, Will Shackleton, Darren Horne and Freddie Perkin with 104 points

The putting competition was a draw between Matt Lea and Barry Crocker, both with 12 points.

Well done to you all. Through the generosity of so many, £1,100 was raised for Florence Nightingale Hospice and for this I thank you.

I held a Captain's Fun Day for the midweek ladies at which home-made cakes were brought in to enjoy after a 9-hole Stableford competition. Ann Haynes came third with 20 points, Jan Chambers second (on countback) also with 20 points and our new lady, Jo Gower, came first with 25 points. Well done to you all. This event raised £84 which will go, together with a £10 donation, to Florence Nightingale Hospice. Thank you everyone for playing this competition.

The re-arranged Mixed Spring Foursomes is going ahead on Bank Holiday weekend, followed by a lovely sociable lunch.

Our Scratch team begins this season's matches on Bank Holiday weekend and I wish them good luck.

That's all from me this month. Look forward to seeing you on the course.

New – Golphin Junior Clubs

We are very excited to be soon stocking new Golphin golf clubs at AVGC.
Children can be fitted to match their height and level of ability.

and in Conclusion...

...the last word is... This wonderful seasonal weather has really put spring into our step – and summer is but a short while away!

...and a touch of humour... Why is it that one can hit a 2-acre fairway 10 percent of the time, but hit a 2-inch branch 90 percent of the time!
