News and Updates from the Club Management

Course

The biggest challenge that faces us at present is this long, hot, dry spell. We keep daily rainfall records and after a really wet spring we could possibly go the whole month of June without a single millimetre of rain in the gauge. How many times, as greenkeepers, have we wanted typical British weather as in sunshine and occasional showers?

We are now applying water retentive chemicals to the greens. These hydrophobic wetting agents help remove waxy deposits from the soil particles and assist a film of water to cling to the soil particles, that can then be used by the grass. We hope that daily watering of greens will then bring back their colour, but we can't expect much progress whilst the temperatures remain so high. When this 'Vale' is published, there is the prediction of light rain on 1, 4 and 5 July, so we have fingers crossed that this marks a slight change in the weather. Once the greens have got a little colour back they will be fed with amino acids to strengthen the grass.

The rest of the course is standing up well to the heatwave and the fairways and rough compare favourably to other courses. We won't start the divot project though, until rains return.

We had a number of backed-up projects on the course, but now have taken on Zach Cockroft, Shay Campbell and Jack Foster and are now catching up with other work. Projects either underway, or to be completed in July, include:

- trimming up the bottoms of the 150 yard conifers and adding new woodchip.
- edging and de-weeding grass areas and adding woodchip. This includes the entrance hedge, around the Pro Shop, around the buggy park, around the laurels by the putting green and the circle of trees beyond the putting green.
- edging and re-painting the concrete fairway discs,
- trimming conifers on the course.
- taking any trip hazard matting off bridges.
- painting the buggy park.
- strimming around the base of all trees and adding a band of grass suppressant around each tree to avoid unsightly grass growing up the tree trunk.
- levelling and strimming the car park.

Men's Captain's Day

We would just like to add our thanks to John and his small army of helpers for a great Men's Captain's Day. We had a full entry of 120 golfers and a thoroughly enjoyable day was had by all.

Staff

We would like to pass on our thanks to Sue Kempster for all her efforts in the shop over the past years. Sue is busy looking after her mother at present so we wish Sue and her Mum all the very best.

Club Telephone Line

We have been losing our telephone lines all too often over the last week, so apologies if anyone has not been able to get through (21 to 28 June). We have been reporting the fault every day and requesting BT to fix it and after a thoroughly frustrating week the engineers have now detected the fault. This lies at the top of a telegraph pole on the Wing to Stewkley road. This will either require a temporary road closure or temporary traffic lights to fix the fault, sometime over the next two weeks, so when we know more we will inform you through the medium of the message banner on the tee booking sheets and a notice on the Club noticeboard.

In the meanwhile we now have a separate line that we are using to the Club, but you can ring through on the normal number 01525 240196. We only have a divert to a mobile phone after 5pm, so if you want to book tee times or buggies over the next couple of weeks it would help if you ring between 7:30am and 5pm. Many thanks.

Chris Wright

Rules of Golf

Rule 25-2 (Embedded Ball). Decision 25-2/0.5 helps to clarify, through use of illustrations, when a golf ball is considered to be embedded in the ground:

Rule 27-2 (Provisional Ball). Decision 27-2a/1.5 allows a player to go forward up to approximately 50 yards without forfeiting his or her right to go back and play a provisional ball.

Tip of the Month from your Club Professional, Terry Bunyan

Here is a putting challenge for you all. Putting is a very individual part of the game and there are as many putters as there are techniques used to get the ball in the hole. However one thing that will help you is to have a repeatable and individual ROUTINE. I have one that I use on all my putts, short or long, and I would suggest you start to use one. Here is the challenge which I offer to my pupils:

Create a routine, take it to the golf course and see HOW MANY HOLES YOU CAN PLAY BEFORE YOU STOP USING IT!! After a while it will become second nature. The reason it's so important is that under pressure you stay in your routine.

Happy golfing

Submitting Supplementary Score Cards

The Men's Handicap Secretary has issued an updated instruction regarding submission of supplementary score cards.

Members intending to play and submit a supplementary card must sign in to the electronic system in the bar before playing, enter the score after playing and put the signed card in the brown box outside the Men's changing room.

The system logs the time that you have signed in be warned that cards submitted without signing in will be rejected (except cards created for a handicap).

Men

A Word from the Men's Captain...

I must start this month's report with a big thank you to all who helped, sponsored, contributed to and played my Captain's Day. Good weather of course always improves the day, but the support was very much appreciated with a valued contribution to this year's charity exceeding £1,400.

I'm glad to report that June saw us continue our home form in the CBL with another 6:0 win against Aylesbury Park, our first win in the Mid-handicap against South Beds and - although the result was shown in the table in last month's edition - I would like to congratulate the Scratch team for an impressive home win against Aspley Guise, who arrived with a very strong team. We didn't have it all our own way though as we also suffered a Club match defeat to Magnolia GC and our exit from this year's Annodata KO competition.

The Summer Party will be held in the upstairs function room on Saturday 21 July at the reduced price of £15 per person. This price includes a cold buffet and the disco, which has been booked. Please sign up on the sheet in the bar and pay your deposit of £5 per person. This should be posted in an envelope (with your name on) into the Men's Competition box by Sunday 8 July.

Next month includes the Pairs Club Championship, Men's Midweek Club Championship, Seniors' Club Championship returning to a Saturday for this year (sign-up sheet pinned on Seniors' notice board located in the lobby entering the locker rooms from the shop) and of course not forgetting the Seniors' Captain's Day on Monday 16 July. Although it's a Monday I do hope we can see as many members attend as possible – yes, I will be expecting to play.

Wishing you all the best for keeping it on the short stuff.

John Barker

July began with the Midweek Medal, which was won by Andy Mayne with a nett 72. Second place went to Nick O'Leary with a nett 74, on countback from Steve Willett.

The June Monthly Medal saw Will Platten take the honours in Division 1, on countback from Adam Lawrence, both players scoring nett 71s. Shane Lea took third place a further shot back. In Division 2 Richard Webber had the best score of the day, his nett 68 putting him five shots clear of second placed Peter Howarth. Austin Brandt (nett 74) was third. In Division 3 it was Andrew Pearce (nett 74) who was the winner a shot clear of Tony Foster, with Adrian Matthews a further shot back in third.

The Men's Greensomes Trophy saw some very good scoring, with Rowan Green and Will Bond coming out on top with an impressive 44 points. Second place went to André Lotter and Mark Botha on countback from Paul Talbot and Graham Freshwater, both teams scoring 41 points.

Forty six players contested the Penny Cup the day after Captain's Day and it was Russell Crane coming home in the final group who edged out Andrew Pearce, both players scoring 38 points. Tony Messenger took third place with 36 points.

Finally don't forget Seniors' Club Championship on Saturday 14 July. Sign-up sheet is on the Seniors noticeboard in the foyer.

Seniors

A Word from the Seniors' Captain...

Summer has finally arrived big time, and it seems we are playing wall to wall golf with inter-Club matches, various formal competitions, the informal roll-ups and an AwayDay. When not playing golf there is a feast of sport on the telly. The delights of watching England thrash the Aussies at cricket - and shock horror even winning matches in the World Cup. Next month is the start of Wimbledon and I am sure before too long the prospect of a hosepipe ban!

Talking of next month, the big dates for your diaries are the Seniors' Club Championship on 14 July, followed by my Captain's Day on the 16th, for which entry sheets have already gone up in the Clubhouse. For my Captain's Day I have selected the Cystic Fibrosis Trust as my chosen charity. This is because my children's Godparents lost their son to the disease when he was just 20 years old. Cystic Fibrosis is caused by a faulty gene and I have put up leaflets by the sign-up sheet if you want to know more about CF.

I would like to follow John Barker's successful Men's Captain's Day by providing a similar fun golfing experience and will be grateful for your support in playing in the event, contributing towards the raffle and sponsoring holes to swell the charity coffers. For my Captain's Day it is intended that teams will be drawn, however if you do wish to play together just indicate this on the sign-up sheet. There will be a host of prizes for individual and team excellence and a few for those who failed to shine!

In the Summer Friendlies the run of defeats has finally been ended with a home victory against Kirtlington. This reversed our away defeat to them by the same score. We also lost at home to Weston Turville in the same period.

Dave Friend and Barry Quantrill won the 'Jones' Pairs Drawn Foursomes Stableford competition. Mick Parslow won the June Medal and Mike Bishop the rearranged April one. Peter Codrai won the June Summer Six. Well done all.

In the annual 'Rabbits vs The Rest' match, 'The Rest' retained the trophy they won last year and Dave Lea was pleased to receive the trophy.

Finally, 38 golfers enjoyed a great away day at The Bedfordshire Golf Club. You will recall from the survey I sent out that Seniors expressed a desire for some more 'upmarket' venues for these days and I am sure this venue fully delivered in this respect. Peter

Lawrence took the singles honours and there were a host of other prizewinners. The day as ever was well run by Dave Friend, Mick Curtis, Larry Goddard and of course Pete Codrai. The list has gone up for the final AwayDay of the year at Northampton County Golf Club on 5 September and places are filling up fast.

In last months' edition I made an appeal for Seniors to 'self-regulate' in terms of avoiding slow play and letting faster groups play through. Additionally, I added some comments about tee times and play on days when there were matches and competitions. Your Committee has looked at this in more detail and produced guidelines under the heading of Seniors' Reserved Tee Times. These are intended to assist towards the smooth running of our competitions and to avoid possible friction between other Sections of the Club or the Club Management. These guidelines are too lengthy to reproduce in full here, but a full copy can be viewed as an attachment to the last Committee meeting Minutes contained in the Minute Box in the changing room. Please take the time to look at these and by all means give feedback if you wish.

Minutes of Seniors' Committee Meetings

Periodically we remind Seniors that copies of the Minutes of Seniors' Committee meetings are available for all to read. They are in the box file on the window ledge in the men's changing room.

Ladies

A Word from the Lady Captain...

The re-arranged Mixed Spring Foursomes competition, followed by a lovely Heinz Sunday lunch, finally took place at the end of May. Thankfully the weather was kind and some good golf was played. John and I were runners up, again beating Vanessa and Andrew on countback. Very well done to Jane and Peter on a comprehensive win with 38 points.

Invitation Day took place on Thursday 7 June. This day was once again organized by Pat Banister, Hilary Hasler and Mary Marchant. I would like to say a big thank you and what a good job they did. I was unable to play but thoroughly enjoyed the cold buffet provided by Heinz and the presentation and social after the actual golf. Everyone seemed to have had a good day. The winners were Jane Whigham and her guest, on count back from Linda Davies and her guest. Well done to them.

The Ladies scratch team have been in action and are playing extremely well. After a 2:1 defeat in their first outing against last year's winning team, they won their last home match comprehensively 3:0. Well done ladies and good luck for the rest of the season.

My first Friendly match was at Leighton Buzzard where we suffered a 3:1 defeat. The second friendly was at Waterstock and Jane Codrai took charge and they played extremely well and came away with a credible half. Last week we played at Tilsforth and again we lost three out of the four matches. Despite our losses everyone seemed to enjoy the day. Friendly matches are an opportunity to play another course and have a meal with other golfing ladies. Thank you to everyone for signing up to play.

John's Captain's Day has just taken place and it was great to see so many people out supporting him, the Club and Florence Nightingale Hospice. It was perfect golfing weather and so lovely to be able to enjoy a BBQ and just be outside. Long may the wonderful weather continue.

Juniors

We Need Your Help!

Russell and Kim are looking to put together a Junior support team of adults who would be able to give up one day every couple of months to help support the Juniors. Russell is going to organise a set of games and activities that the Junior can get on with for a couple of hours, while adults will simply keep them safe and organised. You will not be expected to teach them - simply run the activity given.

If you can help, then please send Kim an email at kim.burnage@gmail.com. The sessions we are looking to run will be every Friday from 5pm-7pm, until the clocks go back in October. The number of Juniors is yet to be confirmed, but we hope to have 6-10 and all will be full members of the Club. We hope to get enough adult helpers that each adult will only need to help once every eight weeks (obviously if you are happy to help more, GREAT!). We will be paying for all adults' DBS (CRB) checks if you wish to volunteer.
