3.4 Booking tees, handicaps, competitions	
3.5 SmartGolfer Network	6. GOLF COMPETITIONS:
3.6 County Card	6.1 Golfing Calendar 2023
3.7 'The Vale' monthly newsletter	
3.8 2 or 3 years of membership	
3.9 Members' Discounts / Guest rates	
3.10 Single players / joining others	
4. CLUB INFORMATION:	
4.1 The Pro Shop	
4.2 Club Professionals	

WELCOME TO THE 2023 HANDBOOK

1. INTRODUCTION

This handbook contains information from the Club Management and the Competition Committees for you, the Member. It covers a range of club, membership, course and competition matters. Please speak to one of the Management Team regarding club matters, or Committee Members regarding competition or handicap matters, at any time for any further information. This handbook can also be downloaded from www.avgc.co.uk

2. COMMITTEE NEWS

2.1 The Competition Committees until 26 March 23.

Post	Men's Committee	Ladies Committee	Senior's Committee
Captain	Neil Meldrum	Charlotte Simpson	Keith Loxton
Vice-Captain	Howard Mathews	Jane Roche	Adrian Redford
Treasurer	Keith Loxton	Clare Garrett	Mike Boden
Competitions Secretary	David Lea	Sheila Perkins (Weekend) Jackie Boden (Midweek)	Adrian King
Admin Secretary	John Barker	Lesley Wright	Mike Pelizzoni
Handicap Secretary	Alan Connell	Jean Barnett	(Alan Connell covers)
5 Day Representative	Peter Codrai	Jean Hill	Peter Codrai
Member Post	Brian Smith	Jean Hill	Jim Gales
Member Post	Darren Horne	Lorraine Fox	Steve Waters
Social Secretary	N/A		Peter Codrai
Past Captain	Keith McGoverne	Kim Burnage- Cty Rep	Larry Goddard

Junior Organisers – Russell Phillips/Kim Burnage

Junior Welfare Officer – Ken Slatter

Friday Mix-Up Organiser – Tony Phillips

The new captains and new committees take office from the Captains' Drive In on 26 March 23. A list detailing the new committee members will be published on respective notice boards from that date.

I am sure that the membership would join with the management in thanking all those who have worked on their behalf during the last year. The captains and committees organise a host of competitions for members and the new calendar of events for 2023 can be found at the rear of this handbook.

2.2 Men's Section

On a weekend day, if there is no competition being held that involves men, then there may be an organized 'mix-up' on that day – speak to Nick Bowden or Jason.

2.3 Ladies Section

Ladies meet for social golf and competitions on Monday and Wednesday mornings. Ladies tee off after the seniors, which is usually from 9.45 or 10 a.m. and this assists couples to travel in the same car. The exact tee off time can be seen on BRS ten days in advance.

2.4 Seniors Section

The seniors have social golf / competitions on Mondays and Wednesdays from 0800 a.m. This section is open to all members who are aged 55 years and over.

2.5 5-Day Members.

The club holds a 'Free Format Midweek Medal' or 'Free Format Stableford' every other week.

Five-day members pay a £20 green fee in the pro shop, before play, if they wish to play the course on weekends or Bank Holidays before 11 a.m. and a £15 fee after 11 a.m. Five-day members can still invite guests to play with them at the 'With Member' rate at weekends.

There are five competitions, that fall on weekend or Bank Holiday days, where 5-day members are warmly invited to take part without the requirement to pay a green fee: Captain's Day, Lady Captain's Day, Captain's Charity Day, President's Day and Annette's Hat Day.

2.6 Friday Mix Up

Men, ladies and seniors are all welcome to join the Friday morning Mix Ups. These usually tee off around 8.30 a.m. but times may vary slightly.

2.7 Junior Section

Russell Phillips (the lead junior coach) has a structured coaching plan in place for juniors of all ages and abilities with some fun days in place – information fliers are available from the pro shop. We offer either Blue or Red Tee membership to juniors depending upon their playing ability. Blue Tee members play over a shortened 'Blue Tee' course available over the front nine holes for young or beginner juniors. A separate 'Blue Tee' scorecard is available in the pro shop.

Juniors can enter any of the junior competitions without a handicap, as we will use that round to help you to get your handicap. Please speak to the pro shop if you would like to know how to put in a card for your handicap.

Parents please note that young juniors need to have a responsible person with them at all times and it is the responsibility of the parents to ensure this before leaving their children at the golf club. The manager on duty cannot fulfil this role. Juniors can be left if involved in a coaching session with Russell, but a register must be signed before parents leave.

We would like to thank Kim Burnage, Jane Codrai, Clare Garrett, Matt Hammond, Ian Gould, Amanda Croft, Claire Cooper, Bob Phillips, Mike Pelizzoni and Julie Hoar for their assistance

with the juniors and look forward to the new season. Ken Slatter is our junior welfare officer and juniors or parents with any concerns are encouraged to speak to Ken.

All juniors / youngsters will be invited to join in club competitions provided they have a handicap. Tee off time restrictions for under 13's will not apply if they are taking part in an official club competition off medal tees.

Kim will be running Friday evening roll ups for juniors between 21 April and 29 September.

2.8 Young Golfers

Juniors	Age 7 to 18	£130	Blue Tee membership
		£230	Red Tee membership
Intermediate	Age 19 – 32	sliding scale of discounts.	

2.9 All Members:

Handicaps are now available for all playing abilities so all are encouraged to submit cards for a handicap. Aylesbury Vale GC is a very friendly club so all are encouraged to join in with their respective sections. Please speak to the person in the pro shop for further information.

Membership comes with many benefits: Competitions and handicaps, book tee times 10 days in advance, sign in guests at 'with member' rates, loyalty card 10% discounts, SmartGolfer access to 30 other courses free of charge, county card, discounts on driving range, buggies and party / training room hire.

3. MEMBERSHIP NEWS

3.1 Conditions of Membership

All membership categories are based on a rolling 12-month term. Members need to give at least two months' notice, in writing, of their intention to cancel their membership. Members then have those two months to spend any remaining balance on their white cards.

The only day of the year that we close, except for weather enforced closures, is Christmas Day. Seven day members are entitled to book tee times up to ten days in advance, from 8 a.m. and can play the course without payment of a green fee. Five day members can also book up to 10 days in advance, from 8 a.m. but a reduced rate green fee is required before play at weekends and Bank Holidays. Members (7 and 5-day) can sign in up to three guests, provided they are playing in the same group, and each guest is required to pay the 'with member' green fee rate. Members are required to cancel their booked tee time in advance if they can no longer make it. These tee times can then be re-booked by others. The club reserves the right to disable the tee booking facilities of members who needlessly waste tee times or members who consistently refuse to announce their arrival at the pro shop. In extreme cases membership may be withdrawn.

All members are required to check in at the pro shop when they arrive for their round. Members should check in at least 12 minutes before their tee time. Pro shop staff may invite a following group to take the tee early if no one in the group from a particular tee booking has checked in within 10 minutes of their tee off time. This practice may then assist pro shop staff to find a space in the tee sheet for a group arriving late – although this is only a possibility if the following group were here and ready to move their time forward.

All members should update the club in the event of new addresses, emails or telephone numbers.

3.2 England Golf and Bedfordshire County Golf Fees

All members that are entitled to play the course have to pay annual England Golf and Bedfordshire County fees. This fee is £21.25 in 2023 (no VAT) and is already part of your membership fee. The club will make payments to England Golf throughout the year but it is incumbent upon each member to be up to date with their membership fees. There is a limited liability insurance element that England Golf provide for each fully paid up member but there may be no cover for members who have passed their renewal date without making payment or for those who did not pay their monthly direct debit.

3.3 Member Loyalty Card

Members can receive a loyalty card, free of charge, by requesting one from the shop. Payments will be accepted from these cards for current members.

Rules for loyalty card:

10% discount will be given only when the member's card is used and when that card has sufficient credit on it to meet the full payment. The card can be topped up at any time, with a minimum amount of £20, no maximum. Competition credit, once received from the committee, will be transferred onto the winner's card. The men's section provide a list of all winnings in the men's changing room. Sections deal with 2's club entry and winnings separately – please contact your Competition Secretary for details.

Taking out a loyalty card generates good savings for the average member but it is optional and not compulsory. However, please note that credit needs to be spent at the club and is not available as a cashback facility. Hence any member giving their two months' notice to leave the club should ensure that they spend their credit before their membership expires. Credit balances will be removed as a membership expires.

The discount will apply to:

All catering in the downstairs bar
All bar items
Shop items.

It does not apply to:

Professional services (re-grips, lessons, club alterations, Ping goods).
Items already subject to member discounts (green fees, buggies, range, room hire)
Club match meals which already have reduced prices.

3.4 Reserving Tee Times, Sections, Handicaps and Booking-In to Competitions

3.4.1 Reserving a Tee Time

AVGC uses the BRS Tee Reservation software. Members of the club are all welcome to book tee times. Register on <https://members.brsgolf.com/aylesburyvale/login> Select **Register (Your AVGC Membership No. is your Username.)** and follow the links. If you have a problem, please call the Pro-Shop on 01525 240196. The Daily Tee Sheets go live at 8am ten days before the day that you want to play. i.e. Times go live on the 13th to reserve for the 23rd. You will automatically receive a BRS confirmation email. In severe weather conditions, a Banner on the BRS Tee Sheet will advise about restrictions e.g. 'No Trolleys' etc.

Tees can be booked online, through the BRS tee booking system, over the phone, or in person in the pro shop. Members can book 10 days in advance, non-members 7 days in advance, and the tee sheets open up at 8.00 a.m. each morning.

3.4.2 Sections, Handicaps and Competitions

Sections

Members are categorised into four Sections. These are Ladies, Men's, Seniors (Aged 55+) and Juniors (Under 19). There are no additional fees to join Sections.

The Club delegates to the Section Committees the responsibility of managing handicaps and the organisation of competitions.

You may View the current Committee Members at: www.AVGC.co.uk /Members Information / choose a Section(Men, Ladies or Seniors)/Meet the Committee (Men/Ladies) or About Us (Seniors). The Pro-shop can provide contact details. Male Members aged 55 and over, may play in both Men's & Seniors' competitions.

As a member of AVGC you are affiliated both to Bedfordshire County, the local golf union and England Golf, the national body. As such you may obtain and maintain a handicap through AVGC.

Obtaining your handicap

Starting in golf and ready to obtain a handicap? Contact the relevant section Handicap Secretary and they will get you started. Some details about you will be required to complete the registration process and you will need to complete 54 holes as either half (9 holes) or whole (18 holes) rounds. These must be with a current member(s) who holds a handicap, and your scorecard must be verified by them.

All the Sections will support new members in securing a handicap. Contact the relevant Competition Secretary and they will do all they can to find space for you in a Competition (which you won't be eligible to compete in, nor required to pay the entry fee) to enable you to play alongside a member. Don't be shy, we all had to start this way and even the best of our golfers has an iffy shot or two in their bag.

If you have, or have had, a handicap at a previous club, in the fairly recent past, you will have a CDH number. This stays with you, so just let your Handicap Secretary know and they will link you with AVGC.

Maintaining your handicap

As a member of AVGC you will have access to the England Golf handicapping system. You will be registered with England Golf and if your preference is to play "General Play" rounds you may, subject to complying with World Handicap System (WHS) rules, submit your scores and keep your handicap up to date. These can be submitted using the My EG app, or the IG app (see below).

Access to My EG is provided as part of your AVGC subscription. However, even if you only intend to register "General Play" rounds, you may find benefit registering with our competition system "intelligent golf" (IG).

Competitions

Each Section organises a full programme of competitions and matches which handicapped members may enter. An entry fee is usually charged (circa £5) which is used to defray the

costs of prizes, trophies, and the costs of running the Committees. The programme of competitions for 2023 is set out in the Club Diary at the back of the handbook.

Entering Competitions

The Committees use the IG platform to run competitions. There is a small annual charge, currently £5pa, to have your named included on, and for you to use, the system. If you wish to play in competitions, or use the system, let your Handicap Secretary know and they will get you set up.

Via the IG platform, members may book, sign in, and enter scores from competition rounds, enter scores from General Play rounds and much more. Touchscreens to make bookings, sign in, and record scores are in the locker rooms.

Entry dates for competitions vary so please contact your Section Competition Secretary, who will advise when they release competition dates. However, generally booking closes two weeks prior to the competition date.

For tee times, AVGC use a separate system, BRS. All Competition entrants will be entered onto BRS and that is the entrants designated tee time. Entrants will receive an email via BRS advising of their tee time and any subsequent changes.

Entrants are expected to arrive in good time (i.e. 20 minutes) prior to their allocated tee time. On the day, there may be start time/playing group amendments, depending on circumstances. The Competition Secretary or Starter will provide guidance.

To enter any competition run by the Sections you must have a valid handicap and be registered on the IG system. Certain major competitions have further qualification requirements.

The provision of the IG system is a members' activity (sponsored by the Mens' Committee) and not part of your annual subscription to AVGC.

Late entry/cancellations

If you belatedly want to join a competition, it's not too late. The Men's Section require that you contact the Men's Competition Secretary. For the Ladies and Seniors Sections, and for the Friday Mix-Up, you should first check BRS for a vacancy. If there is a free tee time in the Competition, you may call/visit the Pro-Shop to book.

If you wish to withdraw from a competition, you can withdraw your entry on BRS. Your playing partners will automatically receive a BRS email advising of your withdrawal – there is no requirement to separately contact them.

In any event, ***should you book late or withdraw, it is important that you also advise your Competition Secretary.*** As well as a matter of courtesy, this is to ensure you are correctly recorded for the competition on the IG system.

Please see the Club position on "no shows", as this applies to Competitions too. Committees may also implement further restrictions regarding ability to enter Competitions.

In the **two days prior to the event**, always check the BRS app or your emails. The Pro-shop may have changed your Tee Time to avoid gaps, thereby releasing vacant Tee Times for other members to use.

Notices

All the sections maintain notice boards. These are in the locker room lobby and in the locker rooms themselves. Ad hoc events, competitions, matches and KO's may be advertised there. Increasingly, material is posted on intelligentgolf, the Sections own websites, social media, and email. Be aware that communication comes in many different forms.

Finally, should any of your personal contact details change let both the Club and your Handicap Secretary know.

How to book online tee times on the AVGC Website

1. Open the AVGC website (www.avgc.co.uk). On the top line of the web page click 'Online Tee Booking', the next page displays 'Internet Reservation Service'.

2. To **Register as a Member** click on the 'Members Click Here' icon and follow the instructions. An e-mail will be generated from the golf club confirming receipt of your registration details and a further e-mail forwarded to confirm your eligibility for member's privileges.

3. You only need to register once. Then, **to book a time**:

Click on the circle for 1,2,3 or 4 players, then click on 'Book Tee Time'. The next page will show your booking summary and the total price for payment, insert the details requested to confirm the booking.

Please detail the Christian name and surname of all members playing with you as pro shop staff need to identify the different groups in order to maintain the correct order of play. If you are bringing a non-member inset 'guest' and then sign them in at the pro shop counter prior to play. If you are booking a tee time in person in the shop, or calling 01525 240196, then give shop staff the full name of your guest – there is a discounted rate for guests who have been named in advance of the day concerned.

If you don't have a computer you can call 01525 240196 and we will book the time for you, within 10 days of your intended play date.

1. Reporting in at the shop.

Please plan to arrive at least 12 minutes before your tee time. Shop staff will book you in and let you know of any other groups in front and behind you.

2. Late arrivals.

Telephone the shop on 01525 240196 as soon as possible, even if you have to pull off the road to use a mobile. This gives us more chance to allocate you a later free tee slot, before that slot is booked by someone else.

3. No Shows.

'No shows' waste tee times that could have been used by others. Every member receives an email when a tee time has been booked in their name and it is the responsibility of that member to cancel their name from that booking, if it is no longer required, within 24 hours of that tee time. Those who fail to either delete the booking online, or to contact pro shop staff,

will have a 'no show' red cross placed against their name. Any individual who collects three red crosses within a rolling three month period will have their BRS booking ability' disabled' for a month. They can still book to play golf but they will need to contact shop staff in person.

It is the responsibility of every member to 'book in' for their tee time at the shop by announcing their arrival to shop staff. This assists shop staff to manage golfers to the tee in the correct order but it is also a health and safety requirement that we know who is on the course. Those members who fail to announce their arrival to shop staff will also attract a red cross against their name.

4. Starting from the 10th Tee.

All members must obtain permission from the shop prior to starting on the 10th tee. Subject to the 9th fairway and green being clear, staff may invite members to proceed to the 10th tee. However, any golfers that catch you up need to be waved through without delay.

The 10th tee is bookable on BRS, for nine holes only, for up to 1.5 hours after the first tee time of the day.

3.5 The SmartGolfer Network

The SmartGolfer network offers great 'added value' to your membership. As a full 7-day or 5-day member of AVGC you are able to have 2 free rounds per year on these 30 golf courses and possibly more, subject to the host club's acceptance. Go to www.smartgolfer.co.uk to see the list of clubs, contact numbers and network rules.

Easy Guide to Network:

- **1. Get your FREE network ID card from the pro shop**
- **Valid from 1st January to 31st December each year to ensure that only current members can benefit.**
- **2. Book your tee time with host club.**
- **3. Play golf and enjoy!**

1. Take a small photograph (2.5cm x 2.5cm) of yourself to the pro-shop, and we will make up your network identity card for 2023. The card will state whether you are a 7-day or 5-day member. There is no charge for the card.

2. All 7 and 5-day members can play for free on the other courses, Monday to Friday. Seven-day members can also play for free at weekends and bank holidays, subject to availability at the host club, which is usually in the afternoons. Then book your tee-time with the club of your choice between 5 and 2 days in advance.

SmartGolfer Network Societies

When more than four network golfers want to play at a host course together, this is deemed as a 'Network Society'. There may be special reduced rates for these – please enquire with the host club.

3.6 County Card

The County Card Scheme enables you to play at participating clubs at either 50% fee or 'with member' rate, as dictated by the host club.

3.7 'The Vale' Newsletter.

Lance Redler kindly puts together a monthly newsletter for members. This includes items from all sections of the club as well as a helpful 'What's on this Month'. A hard copy is available in the bar, at the start of each month. 'The Vale' is emailed to all members who have given us permission to enter their details on BRS.

3.8 Two or Three Years of Membership.

We offer two years of membership at a 5% discount or three years of membership at an 8% discount. These are upfront payments that are then reinvested in course projects or machinery. The investing member benefits from both the discount and the fact that the membership rate is frozen throughout this fixed term.

The offer is open to all categories of membership, including new members. Please speak to Chris if you are interested and we will give you a copy of the written guarantee that comes with the offer.

3.9 Members' Discounts and Guest Rates

Members receive discounted rates for:

Driving Range Balls – Individual buckets or Passport of 10 buckets.

Buggies – Individual hire or season ticket

Guests – sign in up to 3 guests as long as they play with you in your tee group.

Hire rates for upstairs function room – for parties or training days.

See the pro shop staff for more details.

3.10 Single Players and Joining Other Members

Single player bookings will be handled as follows from 26th March 23:

a). Members of the club can book tee times up to 10 days in advance. Some members only book in their own name because they have not yet asked which other members can join them. We give these types of bookings 48 hours for the lead tee booker to update his booking to include the names of fellow golfers. Once we reach the point of 0800 hours 8 days in advance, if the tee booker is still the only name on the tee sheet then pro shop staff can add 'Join Me 1', 'Join Me 2' and 'Join Me 3' to this tee time and convert the lead name of the tee booker to 'Pro Shop Admin'. At this point up to three other members are then at liberty to join this tee time but have to call pro shop staff on 01525 240196 to make this happen. The single member who originally booked the tee can leave their name on the booking and play or they will be able to delete their name from their home computer.

b). A booking may be made deliberately just for a single player, in which case the player will still play whether or not other members join that tee time.

New members can now join our 'members' mix ups' as a way of meeting other members.

A new 'Availability File' has been printed and is located in the corridor outside the changing rooms. Please add your name, preferred playing time and contact telephone number to the file. You can then take a look at the other entries and give someone a ring to arrange a game. Chat to pro shop staff as they will know others looking to join up.

You can enter a men's medal without a handicap, as a vehicle to submit a card for handicap. You will be paired up with someone that already has a handicap and they will mark your card. You will also be given an exact tee off time. Obviously, you cannot take part in the competition itself until the handicap secretary has allocated your handicap.

4. CLUB INFORMATION

4.1 The Pro Shop

Members paying by their Loyalty Card will have a 10% discount, regardless of how much you spend. If you don't want to carry a wallet on the course then simply ensure that your white member's card has credit and is in your golf bag. Cashback may be available, but requires a minimum £2 spend.

Russell offers a club custom fitting service with PING clubs. We have a launch monitor to ensure you get the right clubs for distance and control. There is no substitute to having your clubs 'made to measure' for your individual swing.

4.2 Club Professionals:

PGA Professional - Russell Phillips
PGA Professional – Maria Tulley
Golf Professional – Terry Bunyan

4.2.1 Lessons

Russell is a PGA qualified professional who moved to AVGC midway through 2011. He uses some of the most recent methods of coaching including his Video Equipment, Launch Monitor, Explanar Swing Ring and biomechanics of the golf swing. Russell is keen to develop the junior activity at the club and therefore offers a large variety of sessions to suit all ages and abilities.

Maria has recently joined 'The Vale' and offers lessons to all members. Maria is a PGA Professional, who is still playing on the ladies tour but is looking to further develop her teaching career. Maria will send video clips to those who have had lessons to help them visualise the main areas for improvement. Maria's coaching style is non-technical & easy to understand. Maria classes herself as a performance coach because of her Playing experience & performance aspect of the game.

Maria is also undertaking a course in Performance mindset (Red2Blue). She has used this technique herself whilst competing on Tour & has chosen to become a certified coach so it adds another string to Maria's bow as a service to Golfers she coaches. Maria uses the OnForm software which allows Maria to give voiceover video feedback after the lesson so the Golfer has their own profile with OnForm and can look back at their notes whenever they like. Maria uses the Setmore booking system for Golfers looking to book and see availability. Check out the link below.

Book an Appointment with Maria Tulley Golf Academy
<https://mariatulleygolfacademy.setmore.com>

Whilst Maria is offering coaching, she still has ambitions to play. Through the Spring and summer Maria will be offering a schedule of Pro Ams. These Pro Ams will be based in the East Region and any members wishing to play with Maria in a team of 4, please contact her when the schedule is released, costings & the itinerary will be posted with the schedule.

Depending on Sponsorship Maria will be competing in some LET Access events, Rose series events, the US Open Qualifier & British Open as well as getting ready for LPGA Q school & LETQ school. You can keep up to date with Maria's progress on her Facebook page (Maria Tulley Golf Academy).

Maria is also an ambassador for Your Golf Travel. Maria will potentially offer some coaching trips abroad through this, but she can also provide discounted rates on any trips that members wish to go on whether abroad or in the UK. So if you are looking at going away,

whether as a couple or a group, email Maria with the details and she will endeavour to get the cheapest price possible through YGT and make sure you get VIP treatment whilst you are away!

Terry has been with the golf club since 2002. His golfing success includes making the cut for the first stage of qualifying for the British Open and has over 30 years coaching experience. Terry plays on the senior golf tour and his own tournament experience can greatly benefit your golf game through advanced coaching and the mental side of golf. Terry qualified for the seniors open at Sunningdale in 2021. Terry will be running group adult lessons on a Tuesday or Thursday from March – details will be displayed on Terry's A Board!

ALL MEMBERS GET 20% OFF STANDARD LESSON PRICES

Individual Lessons. This is the most effective way to better your game. Having an individual lesson gives you the professional's full attention to look deep into your swing and to find the key swing faults that need rectifying. These can be used to develop your long game, approach shots, bunker play, chipping, putting, course management, rules and etiquette.

Individual 9-hole playing lesson. Here you will play with one of our club professionals through 9 holes of golf. This gives them the chance to assess your game strategy on the course and gives you the chance to see how a professional plays. These are very popular!

Ladies Group Session. Terry runs ladies group sessions throughout the year. Keep an eye out for his chalkboard to find out when the next one is taking place. Russell runs his 'Here Come the Girls' fun, relaxing group sessions, perfect for any new ladies looking to take up golf.

Junior Lessons. Russell runs beginner sessions, advanced sessions, grouped or individual sessions, young and older sessions, all for members and non-members. To find out more contact Russell.

CONTACT OUR CLUB PROFESSIONALS BELOW:

Maria Tulley: 07701 049908 mariapro@hotmail.co.uk

Terry Bunyan; 07588 272322; terrygolf1965@gmail.com;

4.2.2 Club Repairs and Re-Grips

Russell offers a full service of club repairs from broken shafts to club extensions or shortening. If you have a club that needs fixing bring it into the pro shop.

New grips can have a dramatic impact on your performance. Russell has a large selection of grips in stock but can order ANY grip from a huge catalogue. He will attempt to complete all re-grips and repairs within 48 hours!

4.2.3 Custom Fitting Service

Russell can fit your current clubs to suit your swing by altering the lie angle and loft or your clubs. Having the correct lie angle is critical to help ensure the ball flies towards the target. The professionals emphasise the importance of having the correct equipment to suit your swing. Simple checks can be done to see if your clubs are set up correctly to get the best out of the swing you have. It is important to have the correct grip size, shaft length, shaft flex, shaft torque, shaft bend point, iron head style, lie angle and loft, so make an appointment with one of our professionals now to find out more information.

Whether you are short, tall, old, young, fade, draw, steep swing plane or shallow, slow club head speed or fast, etc. etc. get the clubs that will be 'made-to-measure' for you.

4.3 Captains' Charity

The three main sections of the club all combine together to support our charities. Thanks to all who have hit wayward shots! There are charity bunkers and ponds ready to catch you!

4.4 Member Charity Days

Many of our members are involved with fund raising for their own projects. We have held events such as raising funds for a children's play area, church steeple, cystic fibrosis, cancer care etc. Should anyone wish to organise a fundraising golf day with us in 2023, Monday to Friday, then we will donate £5 per player to your cause from the green fee. A golf day can be one of the easier and more pleasurable methods of fundraising! See Chris, Jason or Garry for more details.

4.5 Club Opening Hours

The BRS tee sheet will detail the first bookable tee time according to the time of year.

The gate is not locked until the last car has left the car park and it is therefore imperative to speak to the manager on duty if you need to leave a car here overnight.

We remain open as long as there are golfers still on the course, driving range or in the Clubhouse. Please ensure you contact us if you are planning a special event that would require a very early start or late finish and we will assist.

4.6 AVGC Website

The website is www.avgc.co.uk and the e-mail address is info@avgc.co.uk.

4.7 Personal Property and Golfing Insurance

Unfortunately, in common with other clubs, we cannot watch items of personal property and the management cannot accept responsibility for loss or damage to property or vehicles on the premises. We have discussed the matter of security with our local crime prevention officer and most of the advice is common sense preventative measures:

- Always lock your car. Use steering locks, immobilizers etc.
- Never leave anything on display but lock it in the boot. Laptops, mobile phones, sat nav's and golf clubs are particularly at risk.
- Do not leave any items of value unattended. This applies to items left within your golf bag as well as items left unattended in the changing rooms. Pay particular attention to your car keys, especially those with a remote unlock button. A thief with these keys can identify and unlock your car in an instant and will drive straight off.

Thieves often try to break into work vans to steal tools and doors / windows can be damaged in the process. We would recommend bringing your car to golf and not a work van.

Once you have finished golf for the day please ensure that you have taken your belongings home. We have periodic clear-outs of all abandoned items in the changing rooms, store them for one month and then dispose of them.

On a more positive note we would recommend the use of lockers. There is a letter in the changing room regarding the rental of lockers for men.

Men's Lockers

Please contact Keith Loxton at keithloxton@avgcseniors.co.uk for information regarding the hire of men's lockers.

Small lockers rent for £15, medium for £20 and large for £25 per calendar year (none of the lockers take clubs). A key deposit of £20 is required, which is refunded when the locker key is returned and the locker left in good condition. Small items of extreme value can be handed to management and locked away if required.

We strongly recommend that all members take out a golfers' insurance policy since everyone needs cover in the event of injuring someone on a golf course. England Golf offer some limited liability cover for current members but individual policy leaflets (Golf Plan or Golf Care) can give you broader cover. These leaflets are available in the changing rooms. On the course itself the most important message is "Do not strike the ball if you are in danger of hitting a human being!" This applies to greenkeepers as well as fellow golfers.

4.8 Emergencies and First Aiders

Many members of staff, including green keepers, are qualified in first aid. There is a defibrillator in the downstairs bar. In the event of fire the emergency evacuation point is the grass by the Captains car parking space in the car park. Intermittent blowing of the air horn is the signal to walk into the clubhouse in the event of lightening, general weather conditions, or a flooded course. Lightening is the one weather condition that needs great respect so simply walk in if you think lightening is coming our way, regardless of whether the horn has been blown.

Members and visitors are asked not to park in the staff car park area in front of the clubhouse. Emergency vehicles require access to the clubhouse and the ability to turn around at all times.

4.9 Sundowners

Each summer we run a fun 9-hole competition on a Thursday evening after work. This year it runs between 18 May 23 and 24 August 23 inclusive. You will be able to enter each week, and indicate if you would like catering that week, by either responding to the AVGC info facebook page or by contacting Jason Thornalley at the club.

5. ON THE COURSE

5.1 Course Matters.

Play from White Tees – White markers on the grass tees remain **exclusively for competition play.**

Signs “Greenkeepers have Priority” – We have signs on the course stating that greenkeepers have priority. We have already liaised with the greenkeepers and set up a system whereby the most intrusive jobs are completed first thing in the morning (cutting greens and surrounds) so that disruption to golfers is minimized. Then, if mowing the rough or mowing around trees is left until later in the day, there is more scope for the greenkeeper to move out of the way.

However, the task of maintaining and playing the course will inevitably clash at some point and we cannot stress strongly enough that a ball should never be struck if there is a chance of hitting a greenkeeper. Also, early birds teeing off before 8 a.m. should note that this is crucial greenkeeping time and that you may experience slight delays whilst greenkeepers finish off greenside work.

When approaching the 13th green a sign on the bridge asks you to look left, to the 16th tee, and not to cross the bridge until all golfers on that tee have finished teeing off. Equally, there is a sign on the 16th tee which asks golfers not to tee off until any players on the 13th green have finished putting and crossed the 13th bridge back to the 14th tee.

Members' Assistance is required to progress the huge task of presenting the course well at all times. A plea from the Greenstaff - please replace divots, repair pitch marks, rake bunkers and do not discard rubbish around the course. The bins at tees provide convenient rubbish disposal points. There are small boxes on some tees for broken tee pegs. Please avoid standing right next to the hole cups.

The crows sometimes flick a repaired divot back out to eat the grubs and worms beneath. The tell-tale sign of this is the sod lying right by the divot, whereas the sod would normally be some yards further forward. Please assist by quickly treading the divot back in if you see this!

Trolleys Please keep all trolleys at least 10 yards away from the greens to protect the fine turf fringes. Trolleys should NEVER pass between the green and an adjacent greenside bunker. We all play golf for the exercise – please walk a little further to ensure good lies for those golfers who follow you.

5.2 Spikes and secure footing.

Although we do not insist on the wearing of metal spikes for winter, and leave the choice to each individual, it is strongly recommended that metal spikes are used. We believe they give better grip in wet or icy conditions on slopes and on tee steps. There are certain ground conditions where ice can be crushed and picked up under the splayed soft spike or mud can simply fill soft spikes. Golf shoes then resemble rugby studs offering reduced grip for golfers and damaging greens. Please take extra care on all wood, sleeper or concrete surfaces in such conditions. You are always at liberty to walk on the grass and avoid these steps altogether in extreme conditions. We offer a discount in the shop for metal spikes every winter.

On the 1st tees please use the steps and don't try to step on top of the brick walls. On the 16th tee please enter and exit right at the rear of the tee where the ground is level,

5.3 Etiquette

The maintenance of good standards of etiquette on the course is for the benefit of all. Avoiding slow play and calling through is probably of greatest importance. Please take time to read carefully through the rules of etiquette for our club.

RULES FOR CALLING THROUGH:

Slower groups should call faster groups through.

Call through the following group if you are searching for a ball.

The maximum number of golfers allowed to play together is four. Five-balls, or more, are strictly prohibited.

Amplification of 'Calling Through Rules'.

Slower groups should call faster groups through, even if the slower group thinks that they are playing at a reasonable speed. Letting golfers through depends upon their speed, not their sex! When searching for a ball, call through *immediately* and then use your 'three minutes' to continue your search as the others are playing through.

'But they had nowhere to go!' How often have you heard this lame excuse given by a fourball? The course is clear in front of Fourball A. Fourball B is playing behind them at the same speed. Twoball C come up behind Fourball B but are not let through because Fourball B thinks there is 'nowhere for them to go'. Fourball B is breaching golfing etiquette. They should let faster Twoball C through, then Fourball A can do likewise and Twoball C can be on their merry way.

Civility and Good Manners when Calling Through.

Communications between golfers is all a part of good etiquette. Ideally golfers should call through without a request needing to be made. However, if a request is necessary then a polite request will succeed where a rude request often fails.

Competitions and Calling Through.

The fact that you may be playing in a competition off medal tees in no way excuses you for slow play or failing to call through. One slow fourball could hold up many, many golfers. Thus competitors in medals or individual matches, where you arrange your own start time (e.g. knock outs), must either keep up with the pace of play or call faster groups through.

Competition Committees.

The management offer all sections the use of a buggy for marshalling their competitions. If the marshals find a group that have lost a hole they should be encouraged to make up the ground. If they fail to do so then the committees should consider giving penalty shots to the offending group.

Divots. Please replace and press firmly down. Please warm up and take practice swings away from the tees.

Pitch marks. It takes 20 minutes for the grass to die in winter or summer so please repair your pitch marks as you play. Ease the grass back towards the centre of the pitch mark – don't lift up the turf as it rips the roots.

Standing close to the hole Please reach out to take your ball out of the hole. This avoids any footprints right next to the cup and helps others following with their putting.

Dress. The rules regarding dress on the course are as follows: jeans, denim, tee shirts, tracksuits and non-tailored sports shorts are not appropriate. Golf shoes are required on the

course. In the clubhouse these rules are relaxed. This means parents waiting for juniors in their group lessons can sit in the clubhouse.

Indoor shoes are required within the Clubhouse (no golf shoes or stocking feet) outside of British Summer Time. Indoor shoes are also required in the upstairs lounge at all times. In BST the downstairs bar will be a spike bar unless signs on the doors indicate otherwise. Outdoor waterproofs should be left in the changing rooms and not brought into the bar. All members should also inform their guests of the dress standards. However, should a guest be genuinely unaware of the required dress on their first visit then they will not be turned away. Please bring them to the pro shop where we have a range of clothing, as well as second hand golf shoes, that they are welcome to use for the day without charge. A member of the Management will request appropriate dress on subsequent visits.

Dogs Dogs are banned from the course. Guide dogs and detection dogs are allowed with prior permission.

5.4 Trolleys

Whilst we appreciate that many members rely on trolleys to carry their bags, there are certain conditions which necessitate "Carry Only" rules to be enforced. We want our members to play as often as possible, so this rule will only be implemented when the trolleys would cause long term damage to the course.

The course is assessed by 7.30 a.m. each morning to determine the trolley status. Telephone calls are welcomed to discover the ruling. An information banner is put on the BRS tee booking system for the day concerned if trolleys are banned.

5.5 Buggies

Buggies can be booked on 01525 240196 or in the pro shop. The message banner on BRS will advise if buggies are allowed on the course on a particular day.

6. GOLF COMPETITIONS

The format for all men's competitions are now displayed in the men's changing room.
